

## 2021 Mitchell-Beall-Rosen Scholarship Contest Concludes

Once again, this year's Mitchell-Beall-Rosen Scholarship Contest wasn't typical. Despite the limitations presented by COVID-19, the contest—in its 39th year—still went off without a hitch.

This year's six winners were chosen from a pool of entrants based on the quality of a 1,000-word essay and an "in-person" Zoom interview. **Scholarship amounts ranged from \$1,500 up to \$10,000, for a total of \$35,000 awarded.**

Recipients of the 2021 Mitchell-Beall-Rosen Scholarship Contest were Jakob Werdell of Columbia, Maryland; Kayla Illig of Odenton, Maryland; Lexie Lee of Eldersburg, Maryland; Elly Stephen of Catonsville, Maryland; Timothy Woerner of Ellicott City, Maryland; and Erik Holmer of New Church, Virginia. Congratulations to all!

No one can prevent all identity theft.

<sup>1</sup>Two requirements must be met to receive the One-Bureau Credit Monitoring feature: (i) your identity must be successfully verified with Equifax; and (ii) Equifax must be able to locate your credit file that contains sufficient credit history information. If these requirements are not met you will not receive credit features from Equifax. You will receive Credit Features once the verification process is successfully completed. Any credit monitoring from Equifax will take several days to begin after your successful plan enrollment.
